Headline:
Overnight frosts and sunny days, very warm on Tuesday.

This Evening and Tonight:
Any remaining cloud to the north of the country soon clears to give a clear and dry night with light winds and the risk of the odd patch of frost, and perhaps fog patches to the south. Chilly. Minimum temperature 1 deg C (34 deg F).

Tuesday:
A clear and dry day across the country, with plenty of sunshine. Feeling very warm, with light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Plenty of sunshine Wednesday but turning cloudier later, with patchy light rain possible. Then colder from Thursday, with patchy cloud and sunny spells. Overnight frosts possible under any clear skies.
